Matijević BED KREVETI

Matijević kreveti posluje od 1994. godine, prvo kao Stolarska radnja Matijević, a od 2016. prerasta u preduzeće. Proizvodnju kreveta počinje 2004. U dve decenije rada izgradila je ime koje je sinonim za visok kvalitet izrade i tačnu isporuku.

Krevetima proizvedenim tokom dugog niza godina opremljeni su mnogi privatni domovi, apartmani, hoteli, moteli, manastirski konaci, studentski domovi, dečja odmarališta...

Matijević kreveti d.o.o. proizvodi bračne krevete, samce, krevete na sprat, krevete sa fiokama za posteljinu, kao i krevete sa foka-ležajevima.

Kreveti se prave od parene - sušene bukovine u standardnim i vanstandardnim dimenzijama.

Kreveti su atestirani na Šumarskom fakultetu Univerziteta u Beogradu, u Zavodu za kvalitet i kontrolu nameštaja. Atest je izvršen na izdržljivost, otpornost površine, kvalitet materijala i izrade. Spratni kreveti su usklađeni sa bezbednosnim standardima EU.

"Matijević beds" exists since 1994, at first was a carpentry shop Matijević, and in 2016 grew into a company. The production of beds began in 2004. Two decades of hard work has built a name that is synonymous with high quality workmanship and accurate delivery.

Beds that are produced over the years have equipped many private homes, apartments, hotels, motels, monastery hostels, student hostels, children's recreation...

Matijević beds Ltd. produces double beds, singles, bunk beds, beds with drawers for linens and beds with drawers-bearings.

Beds are made of steamed - beech dried in standard and non-standard dimensions.

Beds are certified at the Faculty of Forestry, University of Belgrade, in the Department of quality control and furniture. Approval has been made on the durability, surface resistance, material quality and production. Bunk beds are compliant with EU safety standards.
