

# WINE SAVER & SERVER + 1 SERVER-STOPPER

Serves, seals and saves your wine

The Wine Saver & Server combines wine saving with patented serving capabilities. Creates a vacuum to slow down the oxidation process and preserve wine for a longer period of time. Makes a "click" sound when optimum vacuum is reached. The Server & Stopper acts as a seal and dripless pourer.

## CONTENT

- 1 x Wine Saver & Server pump
- 1 x Wine Server & Stopper
