ALWAYS MODERN WHITE

A UNIVERSAL ROOM FOR BOYS AND GIRLS

Highlight the bright colors of the walls and playful details in your child's room by choosing the elements in always bright white color.

COMPACT CHILDREN'S BED

SAFE AND FUNCTIONAL

The bed is one of the most functional children's beds on the market. By combining the bed with the added drawer you can get a third bed or storage space for linen. The rounded edges of the bed as well as the OK120 bed rail, which is standard equipment of KRD1 bed, make it completely safe.

GENTLE, WARM AND HARMONIZED

COMFORTABLE WORKSPACE

Give your little ones a perfect workspace for writing homework, enough space for all their belongings, but also more space to play.

The warm décor of the beech combined with the gentle color of the sand is the perfect combination that every child will enjoy.

EASY FITTING INTO SPACE

TAILORED TO YOUR NEEDS

A room of neutral colors and modern design is the perfect choice either for boys or girls. The flexibility of fitting into space is an advantage if you are in a dilemma.

SAFETY OF YOUR CHILDREN FIRST

A BUNK BED

The Kiki children's rooms program is designed to meet the children's needs. All elements of children's rooms have rounded edges. The bunk bed is made according to the EU safety standards and the EN 747 Certificate, valid for half-height and high beds. The OK160 playpen is standard equipment for this bed.

A COMFORTABLE BED FOR TEENAGERS

COMFORT IN THE FIRST PLACE

The KR120 bed is designed for children and teenagers, the lovers of wide sleeping space. Complete the functionality of the bed by adding one of the drawers from our product range.

A GENTLE COMBINATION OF WHITE AND SAND

AN EASY CHOICE OF CHILDREN'S FURNITURE

Treat your youngsters with a room in a fit combination of white and sand color. For a child-friendly room, make the most functional choice from a range of more than 40 elements.

UNMISTAKABLE CHOICE FOR SCHOOL

PRACTICALITY AND ACCESSIBILITY

White is an unmistakable choice for a children's room, and a large element selection of the Kiki collection will provide children with an efficient and relaxed work environment. Provide your students with a sufficient number of drawers and shelves near the desk to make it easier for them to perform their student duties.

THE FUNCTIONAL DESK

PERFECTION WITHIN SMALL SPACE

A desk from Kiki collection with the dimensions that fit into the space of every children's room.

COZY WORKING ENVIRONMENT

PRACTICALITY AND ACCESSIBILITY

A new olive green color and a wide selection of Kiki elements for an efficient and relaxed working environment. Provide enough drawers and shelves for your schoolchildren near their desk.
