

WINE SAVER STAINLESS STEEL + 2 STOPPERS

Preserve your wine under vacuum

The Wine Saver pump extracts the air from opened bottles and reseals it with a reusable rubber stopper. The vacuum slows down the oxidation process to store wine for a longer period of time. Place the vacuum stopper in the bottle and pump until it makes a "click" sound.

CONTENT

- 1 x Wine Saver Stainless Steel pump
- 2 x Vacuum Wine Stopper

PRODUCT SPECIFICATIONS

Units in carton:	6
Gross weight carton:	1,3 kg
