

# WINE SAVER CONCERTO + 1 STOPPER

Preserve your wine under vacuum

The Wine Saver pump extracts the air from opened bottles and reseals it with a reusable rubber stopper. The vacuum slows down the oxidation process to store wine for a longer period of time. Place the vacuum stopper in the bottle and pump until it makes a "click" sound.

## CONTENT

- 1 x Wine Saver Concerto pump
- 1 x Vacuum Wine Stopper

## PRODUCT SPECIFICATIONS
